

AATMAN PUBLIC SCHOOL

Khivai, Meerut

About the School

Located in Rohta Road, Khivai, Aatman Public School is a co-educational day cum residential school spread over a sprawling 10 acres campus. The School provides excellent global standards of education in a safe, supportive and friendly environment and nurtures students to develop their true potential through a rich academic programme combined with a variety of co-curricular activities. An edifice of pedagogical and infrastructural excellence, APS is backed by Aparajita Educational Trust. When you choose a APS school, your child benefits from the expertise education professionals.

The School aims to

- Be a living, vibrant and integral part of the community.
- Empower students with a sound foundation and the 21st century skills needed for them to progress as young adults into further education and employment in a changing world.
- Encourage all students in their personal, social, emotional, spiritual and moral development.
- Cater to the individual needs of all students.
- Promote equal opportunities for students in every area of the school life.

Our Core Value

Is to empower students with a global and local perspective and develop each student's individuality and skills. For their future in safe and secure environment.

Aatman Unique Curriculum

The Aatman unique curriculum is a blend of the best in National and International Curriculums and is aligned to the current understanding of learning and teaching. It facilitates seamless progress from formative years through schooling to tertiary education while ensuring smooth transition from one curriculum to the other.

This holistic approach to education introduces children to ideas and experiences that will help them become life-long learners and active and responsible participants in society.

At present we seek to adopt The Central Board of Secondary Education (CBSE*) curriculum and in the coming years IB curriculum (Aatman International School) thus offering a benefit of dual curriculum to its students.

Beyond academics, APS strives to instill in all students a positive attitude towards lifelong learning

The interactive boards ensure children's participation in the class.

Teachers encourage and assist students to become active learners, integrating their ideas, feelings and experiences in their class

The school commences with morning assembly. Students are asked to speak in the morning assembly which gives them exposure and develops their confidence for public speaking.

The sprawling campus includes a full-sized playground of all games and sports.

Meritorious students (who stood first, second and third in their classes) were taken out on an Educational Tours to Manali under the guidance and supervision of the teachers.

The school provides a healthy, safe and secure learning environment which encourages children's social and interactive skills.

Care is taken by the teachers to ensure whole class learning and the purpose of assessment is to reflect the quality of students understanding.
